- Passing Grades**
A passing grade for courses offered by the International Academy of Massage or the International Academy of Traditional Chinese Medicine is 70%. The final examination for the subject must also be passed. The passing grade for courses offered by the International Academy of Natural Health Sciences may be set at either 70% or 80% by the course instructor.
- Examination Rewrites**
Students who fail to achieve a passing grade either on a final examination or overall, in a course offered during weekday hours (Monday to Friday 8:00am to 5:30pm) may elect to rewrite the final examination for \$50.00 fee. Students may attempt up to three rewrites per course. Additional \$50.00 fees apply for each attempt. A passing grade for a rewrite is 75%. Should a student fail to achieve a passing grade on a third rewrite the student must retake the course. The full tuition rate specified when the student registers for the course the second time applies when attempting a course a second time. There are no examination rewrites available for courses offered evenings or weekends. Students who fail to achieve a passing grade in a course offered evenings or weekends must retake the course. The 50% of tuition rate specified when the student registers for the course the second time applies when attempting a course a second time.

By submitting this form the student acknowledges that they have read, understand and agree to the International Academy Health Education Centre policies detailed above.
